Hosted by Kettle Moraine (KM) Chapter

Yvonne Barteau of KYB Dressage has been the clinician at KM Chapter's Annual Musical Freestyle clinic for the past three years. She selects music per the rider's music preferences and choreographs the freestyle. The successful result of these clinics is demonstrated by the numerous riders having qualified their freestyles all the way to the USDF Nationals in KY.

Yvonne has achieved her USDF Bronze, Silver and Gold medals and is also an FEI trainer and instructor. She has trained the most winning dressage horse, GP Raymeister, and the most winning young rider, Kassie Barteau, in USDF history. In addition, horses ridden, trained and shown by KYB Dressage made Grand Prix Equestrian's owner Ginna Frantz the number one owner in the dressage category for USEF five years in a row.

She is an award winning author of two books; Ride the Right Horse and The Dressage Horse Manifesto. Her most recent book award for The Dressage Horse Manifesto won best educational equine book at the Equus International film festival in their literary category. She is also an award winning film maker. Her film is about making an equine theater horse while shining the spotlight on rescue horses, won the Equus International Film Festival best feature length documentary "Into the Spotlight".

**Schedule of Events**

2. All riders must wear an AST/SEI approved helmet at all times while mounted.
3. Coggins within one year will be checked upon arrival. Proof of previous 6 month flu and rhino.
4. Horses may arrive after 3 pm on Friday. Horses being ridden in clinic Friday may arrive in the morning.
5. Rides will be videoed taped at no charge if rider (or designee) videos another rider. Bring your own camera.

No refund after rider selection for Freestyle changes or regular clinic rides unless organizer is able to find replacement.

**No Refunds** due to pre-work costs and customized nature of the clinic. If your horse becomes ill or lame plan to ride a substitute horse. The musical freestyle may be developed using music for your horse as provided in the video without that horse being ridden. The rider may still learn the freestyle even when riding a different horse. In fact this approach is used by Yvonne when she wants to put less strain on a competition horse while the rider learns the freestyle.

## **Dates:**

Opening Date: January 20, 2017

US mail Postmark Closing Date: February 3rd or Hand delivered Closing Date: Feb 5th

Riders will be notified by email of selection results by: February 7th

## **Selection Process (only used if clinic oversubscribed):**

The selection process will only apply if the clinic is oversubscribed. Rosebury Farm can accommodate stabling for five outside horses for the clinic. In order to accommodate the limited stabling two sets of selections will be used. The selection process will be the same for both clinic boarders up to 5 riders and for the additional five riders who may or may not be boarders of Rosebury Farm.

In general the selection process will be as follows:

1. Completed registration, Musical Preference form and payment after opening and before closing date.
2. Freestyle ride (whether new or revised)
3. Two regular clinic rides
4. WDCTA Member
5. Non-Member
6. One regular clinic ride
7. KM volunteer participation as determined by organizer.
8. If a tie for all of the above criteria is achieved by multiple riders then a random drawing will be used.
