Selection Process (only used if clinic oversubscribed):

The selection process will only apply if the clinic is oversubscribed. Rosebury Farm can accommodate stabling for five outside horses for the clinic. In order to accommodate the limited stabling two sets of selections will be used. The selection process will be the same for both clinic boarders up to 5 riders and for the additional five riders who may or may not be boarders of Rosebury Farm.

In general the selection process will be as follows:

1. Completed registration, check and coggins received after opening and before closing date. Priority will be given to those that meet the following criteria regardless of registration date.
2. WDCTA Member
3. KM Chapter Members have preference over members of other chapters.
4. KM volunteer participation
5. If a tie for all of the above criteria is achieved by multiple riders then a random drawing will be used.
