The July Dressage Schooling show hosted by the Central Chapter was a big success for a being a first time event. The Central Chapter joined with Waushara County 4H to host a schooling show. Intro through First Level riders signed up. Judge Megan Dischler was in attendance. Central Chapter members served as announcer, score calculator, scribe and runner. It was a beautiful day and many great compliments from riders and spectators alike. Plans for the 2018 schooling show begin!

Future plans:

Central Chapter will again lead the WDCTA Midwest Horse Fair Demonstration in Madison in April 2018. Plans for 6-9 riders showing multiple levels of Dressage and Jumping are underway.

Social gathering ideas are being shared among the chapter officers for fall or winter (beginning of 2018 membership year). The club has over 20 members and would like to have people try to get together to meet each other, but we are spread over quite a wide area.
