USDF Convention

Becky said the State Board was requesting \$100 from each chapter to contribute to the USDF basket—the first in-person meeting since Covid hit. Because we had this as a line item in our chapter budget, it didn't need to be voted on. Cathy will send a check to state treasurer, Mary Hanneman, before the end of this month.

Laura Graves Symposium

Mary Hanneman handed out a list of potential sponsors/advertisers. The members went over the list and identified companies and individuals whom they'll approach. Mary will send out the list to the chapter with a script, the sponsorship brochure and the form so other members can select prospects to help with solicitations.

Holiday Party

Members discussed having a holiday get-together in January at an area restaurant with the chapter possibly picking up some of the costs for hors d' oeuvres. Becky and Betsy offered to check into some potential sites. Becky will then send out a poll to see if other members are interested. Also discussed having the ever-popular gift exchange.

Sue made the motion and Cathy seconded to adjourn. Meeting adjourned at 8:45 p.m.

Minutes submitted by Caryn Vesperman.

Electronic vote taken on 11/18/22. Minutes approved with 12 Aye, 0 Nay, 0 Abstain.
